How many fruits and vegetables have you eaten today?

Many of us don't eat the recommended 5 plus servings of fruits and vegetables daily. That is why ORAC (Oxygen radical absorbance capacity) Energy Greens is the perfect supplement to provide the antioxidant protection we all need. Just one tablespoon (6 g) contains 12,000 ORAC, the equivalent of 24 servings of fruits and vegetables in antioxidant capacity. ORAC Energy Greens is made with super concentrated certified organic juice powders, freeze dried berries/veggies and naturally grown and/or ecologically concentrates, not fibrous grass fillers or ecologically wild crafted herbs not only organic ingredients, but help keep indigenous people the opportunity to cutting down rainforests.
